

## R600a, R290 & R134a GAUGES

33561

### BRASS R600a, R290 & R134a 2-WAY MANIFOLD GAUGE SETS

- Large 3 1/8" gauges (PSI/F) with easy to read temperatures scales
- Includes standard hoses with standard fittings

<b>33561</b>	60" standard hoses with standard fittings packaged in a clamshell
<b>33503</b>	Brass 2-way manifold with 3 1/8" gauges only
<b>51350</b>	R600a, R290, R134a (PSI/F) low side (3 1/8") replacement gauge
<b>51500</b>	R600a, R290, R134a (PSI/F) high side (3 1/8") replacement gauge

93561

### ALUMINUM R600a, R290 & R134a 2-WAY MANIFOLD GAUGE SETS

- Large 3 1/8" gauges (PSI/F) with easy to read temperatures scales
- Includes standard hoses with standard fittings

<b>93561</b>	60" standard hoses with standard fittings packaged in a clamshell
<b>51303</b>	Aluminum 2-way manifold with 3 1/8" gauges only
<b>51350</b>	R600a, R290, R134a (PSI/F) low side (3 1/8") replacement gauge
<b>51500</b>	R600a, R290, R134a (PSI/F) high side (3 1/8") replacement gauge

58561

### ALUMINUM R600a, R290 & R134a 3/8" BORE 2-WAY MANIFOLD GAUGE SETS

- Large 3 1/8" gauges (PSI/F) with easy to read temperatures scales
- Includes standard hoses with standard fittings

<b>58561</b>	60" standard hoses with standard fittings packaged in a plastic box
<b>55303</b>	Aluminum 3/8" bore 2-way manifold with 3 1/8" gauges only
<b>51350</b>	R600a, R290, R134a (PSI/F) low side (3 1/8") replacement gauge
<b>51500</b>	R600a, R290, R134a (PSI/F) high side (3 1/8") replacement gauge

92103-53-1/4

### ALUMINUM R600a, R290 & R134a SINGLE BALL VALVE MANIFOLD

- Large 3 1/8" gauges (PSI/F) with easy to read temperatures scales

<b>92103-53-1/4</b>	1/4" single ball valve manifold with 3 1/8" gauges packaged in a clamshell
<b>51350</b>	R600a, R290, R134a (PSI/F) low side (3 1/8") replacement gauge

\* All gauges above are available with shock resistant gauge protectors – to order, add -G after the Part#
